FINANCIAL POLICY

Patient Name _____

It is our office policy to inform you of our patient payment procedure. SLMRI/U.S. MRI bills insurance as a courtesy. The contract you have with your insurance is between you and your insurance carrier. That insurance contract is not between your carrier and SLMRI/U.S. MRI. If your services are provided through a lien, you are ultimately responsible if the attorney withdraws.

Please review the sections below.

1. Health Insurance
   You are responsible for deductibles, copays, noncovered services, coinsurance and items considered "not a covered benefit" by your insurance company. Please pay copayments and coinsurances amounts as services are rendered. Any balance unpaid after 90 days from the date of services were rendered will be considered "delinquent". All delinquent accounts will be charged an interest rate of 1.5% per month (18% annum). If you or your insurance carrier make payments exceeding your balance reimbursement will be remitted. If payment cannot be made at each visit, notify the account coordinator so that other arrangements can be made. It is the responsibility of the patient to know their insurance plan. If you have given us erroneous information, you will be responsible for the balance.
2. Workers Compensation Patient
   As a workers compensation patient, you may be covered by insurance if your injury is reported at work and verified with your employer. Be sure to inform the office personal that your injury resulted during employment. Patient is ultimately responsible for the balance. It is patient responsibility to give us correct information. We cannot place a lien on a workers compensation case.
3. Personal Injury
   If you are a personal-injury patient, our office will bill the appropriate insurance company. Third-party companies cannot be billed. If we are unable to obtain payment, the charges for the services rendered will be your responsibility. Please give all information needed for billing at time of service. Patient is ultimately responsible for balance.
4. Return Check Charges
   A return check handling charge of 25.00 will be applied to all return checks.
5. Cash Pay
   Discounted cash pay prices are offered to patients with no insurance or a high deductibles. We offer these discounts as a courtesy to help patients afford such services. If you are offered a cash price, you have waived the right to us of billing any insurance regarding this service. If no payments are made on the account after 90 days, the account will be sent to collections for the full price of the MRI plus collection fees.

In the event any balance is not paid as agreed, the undersigned agrees to pay all collection costs. In the event of a lawsuit to collect the unpaid balance, the undersigned further agrees to pay court costs and reasonable attorney fees. You agree, in order for us to service your account or to collect any amounts you may owe, we may contact you by telephone at any phone number associated with your account, including wireless telephone numbers, which could result in charges to you. We may also contact you by sending text messages or e-mails, using any email address you provide to us. Methods of contact may include using pre-recorded/artificial voice messages and/or use of an automatic dialing device, as applicable.

I have read this disclosure and agree to terms listed above.
